Dear Mrs. Chapman:

Thanks very much for ~~your letter~~
greetings in your letter of December 21, which ~~was the~~
met me on my return from the holidays.

What you write concerning your

Thomas line sounds very much like my Thomas line in
I of N. I descend from Thomas Whitney Gale and wife Mary
who was the niece of Samuel Thomas. This comes from a
deed ^{about 1754} of Samuel Thomas, then a resident of Nottingham Co.,
N.C., who describes her as his niece. The land was in I of N
and had been deeded Samuel by his father John whose
mill is in I of N. This ^{John} Thomas seems to have been the son
of Philip Thomas. John Thomas had sons Richard, ~~Samuel~~
and Jacob. Mary Gale is mentioned, relation ship ~~shown~~
shown, in will of a Richard Thomas who had ~~deeded~~
niece Sarah Haywood land given him by father Richard
Thomas. This last named Richard I cannot find ~~any~~
no record of the deed or of his death in I of N. ~~For signature~~
I place his death between a narrow limit of ~~years~~ ~~time~~
as far have not found record unless he is the ~~Richard~~ ~~who~~
did inherit in Southampton an house of Thomas I of N
and who was an administrator. ~~His last will I cannot~~
in I of N I of N look through and as to

excuse on possible connections between the Pylands and Thomases.

The "Great Book" was in I 3 of last summer. The missing one is untouched, but Mr. Edwards will know which it was.

I am glad you know this George's Day. The Orleans spoke of her last summer. I speak July and August in New York City, and hoped to get in touch with her but could not learn her address. Most likely, however, she was not there in the city.

I find that an old friend of mine is in London. I shall write him to inquire for some one to get copies of the Burnetts - Cropley will in the Probate Registry in London.

It will be a pleasure to hear from you again and to give you any data I have. Perhaps if you give the I 3 of Thomases line I can help with it.

Cordially yours,

Rupert Taylor

do with in Gen. John father of Samuel, did not. John I
witnessed deeds as early as 1699.

John Thomas died 1725 or 1726 - will rec. 31, 1725.

Wife Hannah - 100a when I live with revenue to Jacob
son Richard 100a - bounds show in part of Parnell
tract & neighbouring Sherrill (Sherrill?)

Son Samuel - sum of clothing - land already given
him

Son Jacob - 380 (? 384) + homestead of 100 after death
of Hannah - He brought up by Joseph Westcott.

Joseph Norton - exec.

Now for some speculation. The eldest son of Jacob
Thomas was declared of age in 1777. I think this in-
dicates that ^{Jacob} he must have been an infant at death of
John in 1725. Then perhaps Hannah was a later wife
(I hesitate to say what number since people married so often)
and not the mother of the other children.

Why was Joseph Westcott made guardian of Jacob and
exec. of estate? His wife was Mary. Could she be
sister of John and widow of Edward Goodson who died 1722
Note deeds 4.263 - 1733

George " " " Sarah " " "

† John Beale - 290 a. - I did not trace history of this land to find how they acquired title - decr says port 2, Nat 1702 to Maudslai

I find I haven't complete title of Edward Goodson, 1722.

Who is Hannah - could she be widow of Thomas and Sugg; the latter died 1736. Is a missing piece of data in Bertie Co., N.C.? Hannah does not appear in Norton's title early enough to be wife of John Thomas. Joseph Norton made title in 1748

Richard (son of John + 1725) received land with Sherrer (Sherrad). Elizabeth Sherrer in title 1736 names son John, dr. Elizabeth Thomas, dr. Eleanor Thomas, grandson Mrs. Scrive and her inventory was signed by Richard Thomas (mark R T) in 1738 as administrator

Richard Thomas (mark R. T.) and wife Eleanor sold land 1738, 1740, 1741 - the last tract close to Ransom's line - Then their name drops out of the record as traceable by signature. He also bought land of Boddy.

As to the Days - I have some of the problems you face. Beth
 sister James in Thomas Day's will was Elizabeth Day who
 married Matthew Jones after the death of Nathaniel Ridley.
 This is shown by little much of note of Matthew Jones's ^{sister} I did
 not copy Anne Day's will but only took notes. Thomas Day may
 have been a widower. Whose became of Mary ^{Allen} ~~Brooks~~ mentioned
 as sister in will of James Allen of Surrey in 1701? I didn't have
 this in mind when I was in Surrey - didn't know of Day
 connection there - and so didn't follow up. The daughter of
 Nathaniel Ridley married Mr. John Browne, their daughter Mary
 married Robert Dickinson, their son Samuel married Jane Vaughan
 of Mucklenburg, their daughter Elizabeth Ridley married James Lewis
 Belote and had Charles Ridley Belote whose daughter Viola
 married Felix Grundy Taylor and was my mother. Hence my
 Day-Ridley connection. Thomas Whitney Goss and wife
 Mary, niece of Samuel Thomas, had a daughter Elizabeth
 who married Thomas Flood and left an only child ^{Mary} who
 married John Steward in Tenn. One of their daughters,
 Mary Ann married Abediah White and had Nancy Emily
 who married Charles Ridley Belote, above. Hence the
 Thomas line. So far as I know I am not descended
 from Ethelred Taylor. I cannot get back of a great-grand-
 father Taylor. Look records.

As to the Thomas line the only suggestion I have
 is a close study of the land - I have solved some puzzles
 that way. It is tedious and difficult. As to the
 Day line, I am puzzled. I feel that some of the clues

in in England but cannot afford the trip myself
 and yet now do not feel like paying an English
 genealogist. I mistrust the whole tribe. They insist
 on money in advance and no one can check up on them.
 This day might be so placed as to afford the risk. If
 she is I shall be glad to provide her with what I have
 to enrich the search. Some are to exact page and
 volume for miles; some are for each date to look for
 if a person known where to look.

Aunt Elizabeth Lear, of course, is one clue.
 Who was she? As I have written before, accounts of
 Swann family put her down as daughter of William
 Thompson of Newsmound.

I hope this letter is not too rambling for you
 to follow it. I shall be glad to help as I can.

Cordially yours,

Reuben Taylor

It is evident that more than one man was named John Thomas about 1700.

I. the tall man, the constable, in 1693

II. the son of Philip. John I - of lower parish of S. W.

III. the son of Richard + 1687, husband of Mary Lammie living 1704, dead by 1713. how much earlier not clear.

IV - John Thomas, husband of Susannah dr. of See D.B. 1-65, John Portis and widow of ~~John~~ ^{John} Feiggell. you give reference D.B. 6.51, date 1741. I have ¹⁷⁴¹ p. 65- about 1693. I have also reference 2.38 - ^{see also D.B. p. 8.} dead of Deborah Portis about 1706. I have no signature for this John. Susannah might have been the predecessor of Hannah, but William Feiggell, apparently her son died 1706 and left a young daughter, did Deborah Portis later become Deborah Fuller?

V. John Thomas who bought 250. a. of Joseph Lane in 1721, South side Nott away. D.B. 2.443-

VI. John Thomas, Gent., & Thomas Day, Gent. 1719

VII John Thomas, 1711 - mentioned in will of Humphrey Marshall as son of Elizabeth Thomas. Marshall had been Justice and was Gent. This John may be John of Forest.

VIII John and Richard Thomas, grandsons of Michael Rogers 1710 along with Mary and Elizabeth. granddaughters - Richard

✓
 must have been of age, for he was named as executor. Perhaps
 there are the John and Richard Thomas who with wife of
 Robert Saunders in 1731. However there is a 20 year gap.

I did not get signature of Richard grove of Rogers. It

should be on accounting of estate, Have you the signature

to this ^{Saunders will} will. This Richard might be Richard R & wife

Elizur - bro. John might be father of Sarah Staywood -

Jordan might be son of Richard (RT) and Elizabeth, uncle
 of John who married Mary Moody. He was a witness as early

as 1740. He died in Herts Co., N.C. 1763 - will

all my children

cluded my wife now gone with.

The Elizabeth Thomas, mother of John, in Rogers will
 might be the Elizabeth who died as Elizabeth Sherer. and
 therefore mother of Richard (RT) instead of mother-in-law.
 I did not follow this up to test the possibility.

Now if Richard Thomas (RT) was father of Richard
 Thomas (R). where did he die? Obviously not in
 I. of V., for there is no accounting of his estate. where
 is the deed to Richard (R)? Not in I of V. I found in
 Sullivan Co. Tenn. a deed transferring land in Va. If
 this genealogy is correct Richard (RT) was dead before

William Browne Sr. of Surry who named her in his will
 of 1704 as Priscilla wife of Thomas Blunt. He also named
 William Blunt as grandson. River Jordan made his will
 in Dec. 1698 and named wife Priscilla and unborn child -
 Thomas Blunt made his will in 1708 - and named Thomas
 Edmunds and wife Elizabeth (Blunt's dr) son Thomas, son
 Richard, son William, son Henry, son Benjamin, John Flood
 and wife Mary (Blunt's dr., later married Skett), wife Priscilla
 Ann Flood (widow of Walter and dr. of Wm. Browne) in will of
 1723 mentioned sister Thomas's three sons William, Henry,
 and Benjamin, evidently the 3 younger sons of Thomas
 Blunt. William Thomas died 1719. My note of his will agrees
 with yours except I have dr. Jane Lather & acc estate of
 John Lather 1720 by widow Jane. I thought I had
 Priscilla's will but I can't find it.

I also find Surry order 4.130 - 1742 or 1743. John Thomas of
 S. of W. planter to Samuel Thompson 185a. granted to William
 Thomas of S. of W. 1713. I did not have will of William Thomas
 1720, but I find will of Samuel Thompson, Surry Reg Book,
 334) 1721 mentioning "niece" Elizabeth Thome. - and
 Robert Robert Payne; will of John Thompson 1698 mentioning
 sister Katherine wife of Robert Payne, sister Elizabeth wife
 of William Catlett, brother William and brother Samuel.

So many people from the south side of the James
 river into N.C. that I suspect the nursing men may
 be in N.C.

1754 when Samuel deeded to the Gales. In Southampton
 will 1.102. is appraisement of estate of Richard Thomas Dec. 9, 1752,
 in accordance with court order of Nov. 1752. Account current on p. 111
 by Thomas Pyland, admr. shows that he died at Pyland's
 house. Who was this Richard? What was his connection with
 Pyland? The date fits, but that is too slender evidence for
 final judgment. Was he son of Mrs + 1741?

Since the Goodenow went to Bertie Co, N.C., perhaps Richard
 Thomas followed them, made the deed there, and died there.
 I haven't followed up this possibility.

In turning over the pages of my notes I find ^{12.13.} of W. 1750. 46.52.
 Lucy, admr. of John Thomas. Southampton OB. 3. 1754 showing
 Henry Thomas son of John Thomas who bought land of
 Nottoway Indians in 1745 and died intestate - will of John
 York, South W. 1.105. 1753 mentioning grandson Henry Thomas.
 If you have this complete will, is there a Sarah who might
 later be Sarah Haywood in 1756. I have also G. 160 - ap.
 of Mr. Mills - 1758 - estate of John Thomas.

I have some notes of Millicent Thomas or of several men
 of the same name. The man joining our brother I suspect
 to be the same Millicent Thomas as one with whom Benjamin
 Hill made a settlement, perhaps the husband of one of her
 deceased daughters as was John Jennings. Who he was I
 don't know unless son of Millicent of Henry and Stephen
 of that merely married Priscilla. She was the daughter

would help to identify him and separate him from others of the same name.

John (1704) may be John Thomas tall man and executor's 7/16/93 and the man who gave P.A. to Giles - 9th his signature.

Dear Mr. Chapman,

Thanks very much for your letter of January 22 and the accompanying Thomas data. The letter arrived while I was busy with some 180 examination papers - and therefore had to wait some time. As time has given opportunity I have gone through my notes and collected the Thomas data.

There was evidently more than one Thomas group in Sale of Bright County. Robert Thomas seems not to have left a family there.

I

Richard Thomas prob. lived in 1681 with John Robinson and John Saunders. He made his will in 1687 and left John - and lived in N.C. 1704 in right of wife Mary Saunders Elizabeth - died in 1712 to Robert Saunders

Phoebe - died

Sarah - died

John married Mary, dr. of John Lawrence of Harrodsburg and was dead in 1713 - buds 2. & 48. They had

John ^{upper son, Harrodsburg} who still lived in 1751 - and gave history of the land used in part of family (8.379). In 1736 Mary a - signature vol 5, 1861. - sold Lawrence land. I did not get name of wife or daughter of this. There

would help to identify him - and separate him from others of the same name.

John (1704) may be John Thomas tall man and executor's of 1693 and the man who gave P.A. to Giles - got his signature.

All where I have found that when a man died without
 will his brothers gave property to his younger nephew
 since the law of primo geniture gave everything to the eldest
 son. If this were the case then Richard son of John
 and brother of Samuel died before 1754 and left behind
 Mary who married Gole, a son Richard and another
 child (presumably son) who died intestate before 1756
 and left a child Sarah to whom the younger Richard
 as well gave land. Mary Gole would be aunt of
 Sarah Haywood, not sister. ^{anywhere} ~~but not~~ this is a
 supposition. Haywood died before Richard's estate
 was settled - and she married John Westray. She
 had a daughter Sara by Haywood and a daughter
 Molly by Westra. What became of her finally I don't
 know. My notes do not show Mary Gole and Sarah
 Haywood to be sisters.

My dear Mrs. Chapman,

Thanks very much for your note concerning the possible identity of Juliana Day - and the note sent by Miss Georgia Day. The latter I am returning along with a fresh statement of the Day-Burnetts connection as I see it. As I suspected Miss Day sent you her note in the expectation that you would send them on to me as a reply to my former statement, I am sending my fresh statement to you with the idea that you will send it on to her if you see fit.

My reply to your earlier note has been delayed by the tragic suicide of the man in whose house I have lived ever since I came here, and the consequent upset of affairs in the house. While affairs were settled I hunted out some Thomas notes in regard to the claim that you may care to have when you can examine the records again. Richard Thomas's debt to Sarah Day was given little to go on in the way of bounds, but I found one line "Pine (Pine's) line" that may be of help. This line adjoined Ruseon ^{who} bought of Siler, the land had descended from Woodward through

daughter Priscilla who married a ... It may be necessary
get the record and be patient and trace the history of
all the adjoining land before the case can be placed in
a clear light. Some of the Thomas land came by purchase
of the Parnells. Eleanor, wife of Richard (R.T.) Thomas,
I have taken to be Eleanor Thomas, dr. of Elizabeth Sherer, since
Richard Thomas was Sherer's adm., and Elizabeth Thomas to be
Elizabeth, wife of Samuel who made the deed to the State. This
may be wrong.

I have used the Valentine Papers and have found some
things of interest in them. Thanks very much for your offer
to send me yours. I doubt, however, if they have anything I
haven't already got from them.

Cordially yours,

Rupert Taylor

I understand you are doing some research work on the Va. Thomas and John Simmons (Surv. Co Va) families. I am trying so hard to find a missing link - I have so many Sammons in Sussex and Surv. - some times spelled with i. my Nathaniel Sammons b. abt. 1806 married Temperance Thomas 2nd marriage Simon Wood. She was the daughter of Lewis Thomas and Catherine Hern (widow of Cordy. Pate). N.S. and J.T.'s son married Mary Ann Davis dau. of Wilkinson Davis and Rebecca Powell near? Norfolk Va. Do you find these names in your lines? I will greatly appreciate hearing from you.

I have made excerpts of the material which you sent me, and hope to be able in the near future to arrange the material in such a way that I can discover if there are any possibilities in this direction. If I discover anything of interest, I will inform you of the same.

I greatly appreciate your sending me your notes, and have handled them carefully.

If I can ever be of any assistance to you, do not fail to let me know.

Dear Mrs. Chapman:

I am returning herewith all of the notes and data which you so kindly sent me on the Thomas family, and am also including my own version of how this family checks out from the records. I would greatly appreciate your criticism of the same.

I composed this on the typewriter myself, from the notes, in order to save time, which accounts for the many errors.

If you wish, I will be glad to send you a copy after I have had it recopied by the stenographers, but would be very glad to have you add or subtract anything you see fit before making the permanent copy. Will you kindly returned the enclosed copy.

Thanking you, and with best wishes,

P. S. Would be glad if you would extend the John Thomas - Mary Moody line down to the Chapman e/n.

Eureka Springs, Arkansas;

Nov. 12, 1956;

My Dear Mrs. Chapman,

For several years I have considered giving the information that I have on Gen. George H. Thomas, to some one interested, and have your name as the logical person. There has been so little known of his personal life, and I fear if I do not pass it on, never will it be known. I put down facts also "Family hearsay".

In the Court house at Paris, Lamar Co. Texas, I found in the early records, when it was Red River County, Republic of Texas, a will of Richard Thomas, his wife "Mary".

Also from the office in Austin, Texas of Land Grants I have copy of Land Grant, from Eascon Giles, Comm., Gen. Land Office; Certificate No. 231 dated Oct. 4, 1838, he having proved

that he had resided in the Republic, three years and performed all of the duties required of him as a citizen. "

Also I found will of Richard Thomas, naming sons, William, George and John D. (Dawson) Thomas, and daughters.

My Mother was Martha, (Mattie) Thomas daughter of John D. Thomas. She died when I was an infant, but her youngest sister who lived with us told me to never mention him as he was a Yankee.

My Grand Father named his baby daughter "Fanny" for the wife of Gen. Geo. Thomas, as he visited them about time of her birth, when he was stationed in Texas, at time of Mexican War.

That was of course before the war between the states, and my grand

Father died during that war. I found these records while searching for my lineage for D.A.R. Of course I was following

the other line, but I made notes and have copies of my findings,

and of Gen. Thomas, by Coppee it says that he could find the family in writing it 1897.

In reading the wills in Paris Texas , I sensed that Mary, wife of Richard Thomas was in competent, and as I knew the family were bright I wondered about it. Later I heard of the Nat Turner Insurrection and in comparing the dates it suggests that she was in it and perhaps caused a mental condition , and we know that they moved to Republic of Texas after that affair.

My Grand Father died before the Civil War closed, and his children were young, but Uncle Dick and Uncle James, fought in it, of course in the Confederacy, as did my Father, Travis Clack Henderson.

I have wanted to follow the families into which the daughters of Richard married, Williamson, Draper, Allen and Nelson, hoping it might clarify the mystery.

I know that my Uncle George remained with his uncle James Rochelle. In a record years ago I found that Mary Rochelle M. a Thomas, but at that time I was not interested. Now I feel that if the real history of him could be straightened out, it might help future generations.

Also in the old Court House records in Paris, Texas are the follow ups showing where John D. Thomas turned over to the other heirs their share of the estate. All of my Uncles were tall and straight,

but of course they were Gen. Thomas' nephews.

I am going to have exact copies or photostat , made of the Paris records and any suggestions you might have, I will be glad to have.

Very truly,

Dear Mrs. Chapman:

Some months ago, I wrote you regarding my Thomas family line. Perhaps, you misplaced my letter or have been too busy to acknowledge it.

I am yet quite interested in getting my Thomas line established in order to become a member of The Daughters of American Revolution and Daughters of Founders and Patriots of America, if possible. My great grandfather was John R. Thomas of North Carolina. His marriage bond was signed by Jacob Thomas (1846) whom I hope is his father.

On a chart which shows the children of William Thomas, Burgess of Surry County, Virginia in 1652, appear the names of William and Phillip Thomas whose children are descendants of William through son Phillip. I understand this chart is your property.

Any help you can give me in establishing my line will be greatly appreciated by me. Please notify me in advance of the expense involved in this research.
